CATERING

(Minimum 10 guests for all items)

Whether it’s an informal get-together of 250 of your favorite colleagues or students, a last minute lunch meeting for 20 in the office, a mid-afternoon conference or you just need to feed the staff well, the University Club is here to help you in making your job a breeze. Our legendary service and our commitment to quality are why so many event coordinators make us their first call when it comes to catering. They know that our commitment doesn’t stop when the food is delivered or the meal is done.

All dishes are prepared fresh daily using the best ingredients and include all the necessary plates, cups, utensils, and condiments that you’ll need. In addition, we offer a wide array of beverages that can be ordered to fit your exact needs. Call us for your next catered event - you won’t be sorry you did. We promise!

In addition, every catering order placed with us will help reduce your carbon footprint! We are very proud of the fact that 100% of our disposable packaging is either compostable, biodegradable, recyclable and/or made from 100% post-consumer materials. So not only do you get great food at reasonable prices, you are helping our environment at the same time.
