## ACUC Reciprocal Club Request

Member Clubs of the Association of College and University Clubs (ACUC) recognize and honor a reciprocal agreement which allows individual members of a University Club to visit any of the other Clubs within the Association. To see a full list of member clubs, please visit: [www.acuclubs.org](http://www.acuclubs.org)

To request reciprocal privileges, please complete this form. A staff representative of the USC University Club will contact the reciprocal club on your behalf with a letter of introduction. Once the introduction has been made, you can make your reservation directly with the reciprocal club.
